5-Keys

**Prophetic Inner Healing
unlocks the power of physical,
emotional and spiritual wholeness**

- **Do your beliefs and past experiences hinder your personal energy, joy and freedom?**
- **Do you experience unresolved addictions. Or repetitive feelings of rejection, fear, anger, shame, anxiety, unforgiveness, or bitterness?**
- **Are you aware of triggers, trauma or patterns that are difficult to overcome or control?**
- **Would you like to remove the blockages and blind spots, that rob your joy?**
- **Are you ready to step into greater clarity, healthier relationships, wholeness and health?**

Transformational Coaching

**Hi, my name is Coach Libby George
I'm an integrated wholeness coach.
That means I practice lifestyle medicine in
combination with prophetic inner healing.
I've put this "Wholeness Program" together
because health & healing occur when the
spirit, soul, & body are at peace with
each other.**

**In 2007 I witnessed traumatised genocide
victims in Rwanda heal through inner healing.**

**I also see diseases like cancer & other
conditions go into remission when
wholeness is the treatment protocol.**

**When I first embarked on a career in natural
medicine, my teachers often said, if a person
has a faith they are 90% more likely to heal.**

**I believe as a person, thinks so they are!
Having a coach who walks alongside you is
an opportunity to unpack the hidden
beliefs beneath the root causes of an issue.
Prophetic Inner healing creates a sacred
space for miracles & breakthrough
to occur naturally & supernaturally.**

Welcome to the 40-day Wholeness program.

**This is a transformational coaching
intensive process.**

**It brings breakthrough,
so you can reconcile your past
heal & renew.**

**Fulfil your purpose from a place of
inner peace , power and wholeness.**
